REYL CONNECT

USER GUIDE

PART A - REYL ACCESS SETUP

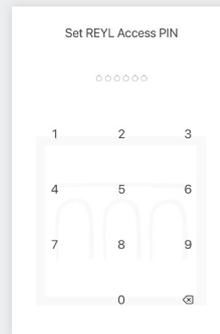

REYL Access is an app for authentication that you will need to set up on your smartphone

1

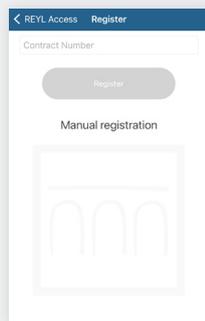

Download the *REYL Access* app on your smartphone, from the *Apple Store* or *Google Play*. Alternatively, a link is provided on REYL's website.

2

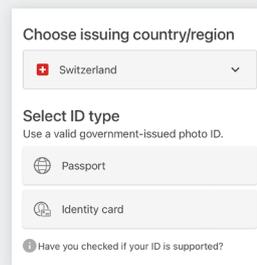

Open the app, set and confirm a 6-digit PIN.

3

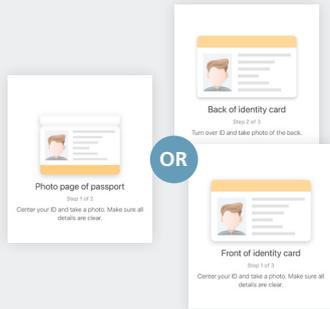

Enter your contract number, provided to you by the Bank. Then click **REGISTER**.

4

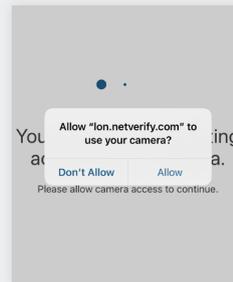

Select the issuing country of your ID and choose a means of identification. Note: for certain countries, ID is not available.

5

Click **START** and follow the on-screen instructions. Note: front and back will be needed for an ID.

6

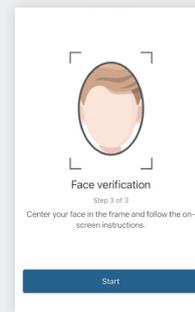

Allow use of camera by the app.

7

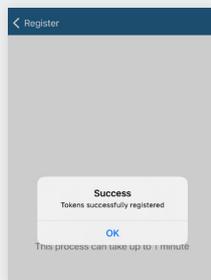

From the app, take a picture of your chosen proof of ID. Check your photo and click **CONFIRM**. In case you have provided an ID, repeat for the back of your ID.

8

For the face verification step, click **START**, then **ALLOW**, and follow the on-screen instructions.

9

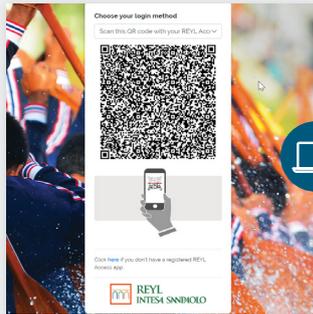

After the registration process, you will have completed the *REYL* Access app setup. You may now close the app.

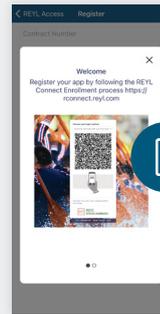

PART B - REYL CONNECT LOGIN

To access your portfolio on your computer, log into *REYL Connect's* website using your smartphone as authenticator.

1

Go to <https://rconnect.reyl.com> from a desktop computer.

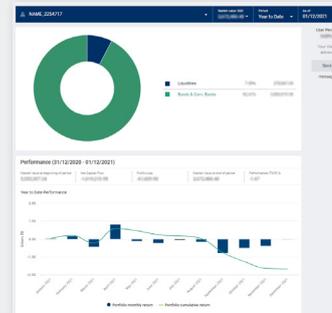

On your smartphone, open the REYL Access app.

2

Scan the website's QR code from your phone. **Note:** in case of technical difficulty, you may alternatively enter your credentials by selecting this option on the app's bottom left button.

3

You now have access to your accounts. **Note:** if you change phone or need to reinstall the REYL Access app, you will need to start again from step 1.

Remember to log out of REYL Connect, on the upper right-hand corner of your screen. For security reasons, you will automatically be logged out after 10 minutes of inactivity.
